

- ✓ **Handy and versatile**
- ✓ **For cold and hot water**
- ✓ **Available with stabilizer nozzles**

Manual under body wash made simple. Use the handy Hurricane on cars, trucks, agricultural machines, mining equipment, construction equipment and transportation vehicles. An Economical way to clean areas with as little as 165mm clearance. Can be use with a hot or cold pressure washer.

TECHNICAL DATA

Pressure 275 bar
Temperature 120°C
Inlet G3/8" F

TUW-520

TUW-750

FEATURES

Stabilizer

With the stabilizer nozzles installed on the Mosmatic Hurricane, you increase the distance and impact of your cleaning project. The higher outer ring shields the nozzles from getting damaged. These nozzles are used on the models 80.603 and 80.604.

HP-Nozzles

Only the use of HP-Nozzles create the cleaning force on the object. These nozzles are used on the models 80.601 and 80.602.

Rotor Arms

Can withstand up to 275 bar, are precision welded and balanced.

Part No. 82.891 ø 470

Part No. 82.9014 ø 700

Protection Plate

The protection plate acts as a debris shield and it protects the Rotor Arm as well as the nozzles.

TUW-520 Protection Plate
 Part No. 80.621

TUW-750 Protection Plate
 Part No. 80.622

Swiss Engineering

High rpm stainless steel swivel features reinforced self lubricated stainless steel ball bearings for improved performance. The dual spring based carbide seal system, guarantees long lasting operation under tough conditions.

DYF Swivel

Part No. 58.553

Name	Part No.	ø	Weight	Rotor Arm	HP-Nozzles	HP-Gun	Caster/Wheels
