

Diesel Engine Driven

- KOHLER or Kubota diesel engine with Electric start & 3 year engine warranty
- Diamond stainless steel frame
- Italian made Udor pump with brass head, ceramic pistons and Stainless Steel valves
- 15mt of dual wire braided blue HP-Hose
- Thermal protection valve
- Foam filled run flat wheels

- Trigger gun with swivel
- Stainless Steel lance with nozzle
- Made in Australia
- 2 Year warranty

Engine Driven Hot Water Machines

- Petrol or Diesel engine driven
- Electric start & 3 year engine warranty
- Hot Dip Galvanised frame
- Italian made Udor pump with brass head, ceramic pistons and Stainless Steel valves
- 10mt of dual wire braided blue HP-Hose
- Easy pull trigger with Stainless lance

- Stainless Steel air cooled vertical boiler 5000 PSI rated working pressure
- Thermostat control 0-150 deg C
- Made in Australia
- 2 Year Warranty

Clean Pro Trailers

All Clean Pro Trailers come with Hydromat Quality Fixtures and Fittings as well as:-

- 30mt of 530 bar WP rated 2-wire blue HP-Hose with Bend Restrictor on Stainless Steel Hose Reel
- 20mt 3/4" Inlet Hose on Stainless Steel Hose Reel on Cleanpro 600 Models
- 600l or 1000l fully plumbed in Water Tank
- Stainless Steel air cooled vertical Boiler rated 5000 PSI Working Pressure
- 12VDC Boiler, not 240VAC – Safe for Operator and Work Environment
- Thermostatic Temperature control 0-150 degC
- All Electrical Controls in one Panel
- Battery Isolator switch
- Emergency Shutdown
- High Visibility Amber Warning/Strobe light
- Hot Dip Galvanised Trailer, Alko running gear, Weatherproof & Lockable Machinery box to Protect Equipment when not in use.
- Fully Made in Australia – 2 Year Warranty

Mosmatic Surface Cleaners Pump Out Vacuum Cleaner

PUMP OUT

SURFACE CLEANERS

Hydromat Pump out vacuum cleaners are used for efficient water recovery and recycling from construction sites and applications where no drain is available. Hydromat vacuum cleaners are covered by a 2 year warranty and Australia wide spare parts back up. Mosmatic Surface Cleaners are made from stainless steel, ranging in size from 200mm to 750mm diameter with or without recovery ports. Please contact us to discuss which model is right for you.
